BOROUGH OF JUNIATA TERRACE

Spring Newsletter 2023

Tax Collection:

- Our Tax Collector, Susie Tyson, will be in the Community Room from **6:00 PM to 8:00 PM** on the following dates:
  - **Monday, April 24th**
  - **Tuesday, April 25th**
  - **Wednesday, April 26th**
  - **Thursday, April 27th**

This will be the last available week to pay your Real Estate Taxes, or Per Capita taxes at the discounted price. After that it will be at face value. She cannot accept any payments mailed for the discounted period that are post marked no later than the 25th of April.

Yard Sale:

The Annual Yard sale will be on June 3rd, 2023. This will be advertised in the Lewistown Sentinel. We invite everyone to participate in this. We have always had a great turn out during this event.

Spring Clean Up:

We will once again have the Dumpsters behind the Community Building the week of June 5th. As a friendly reminder, no tires, electronics, paint, or chemicals can be discarded. Anyone found placing these items in the dumpster will be contacted to come pick up their products we cannot take. Please be sure to break down any large items so we can utilize the dumpsters to their full compassity

Current Construction:

We understand the current frustrations with the on-going construction. Notices were sent out in March requesting residents on all streets of Terrace Boulevard not parking on the streets between the hours of 6:00 AM to 6:00 PM. The construction currently is working on the intersection of Terrace Boulevard and 1st Street (the main entry into the Terrace from SR 103. During this time the road will be closed meaning anyone traveling down Community Ave will not be able to get out by turning down to 1st St. All Traffic must enter in by turning on to Viaduct way (near Wilson's store), continue onto Hudson Ave, then turn up Community Ave. All traffic wanting to leave the Juniata Terrace will have to exit by going down Upper Delaware Ave.

The Borough has noticed a fair amount of traffic going the wrong way down Hudson Avenue and up Delaware Ave, and people driving through areas that have been blocked off. When streets are marked closed, they are closed. Please stop driving over any road closure area's as you do not know what work is being done there. Driving over this area could cause potential issues, which will result in additional costs the Borough. **We need everyone to be mindful of the follow of traffic to avoid any potential vehicle accidents.**

PLEASE DO NOT MOVE ANY TRAFFIC CONES. These cones are placed there for a reason, as there are holes in the ground. Also, we have had numerous children climbing on the construction rock piles, cones, and equipment. Please speak to your children about watching for construction vehicles and to stay out of the work area behind the Community Building.
